Technical Scholarships

From

The D. Gl. of Education in Mly Sare.

No. 894/50 Dated 20.7.14 Received 23-7-14

Diary No. 804 | Enclos. 1 | Spare Copies. nil | Serial No. 2

BRIEF ABSTRACT OF LETTER.

Submits modified proposals regarding the grant of Technical Scholarships outside the State, requests suggesting that 6 out of the 10 Scholarships annually being exclusively reserved for the Study of Commerce in the Bombay College of Commerce and recommends the raising of the Scholarship amount in the case of commerce from Rs 20 to Rs 25 p. m. so as to attract graduate applicants.

NOTES AND ORDERS.

At present the Technical Scholarships are granted each year (of the value of Rs 20 in Bombay and Rs 15 in Madras) for the Study of technical arts and Industries such as drawing, painting, wood industry, Veterinary Science, Commercial Subjects

General and Revenue Secretariat. | Edn File No. 24 of 1914

Serial No.

(1) The subjects for which Scholarships are at present granted and those proposed to be limited to, hereafter are given in the I Gl's list enclosed to the letter under disposal. It is seen therefrom that the following subjects are proposed to be omitted by the D.Gl.

Subjects proposed to be omitted

1 School of Arts Madras. Enamelling on metals
2 Do — Bombay — Carpet weaving
3 Gold, silver etc wires.
4 Jewellery work
5 Veterinary college Madras. Veterinary Profession
6 Do — Bombay — do —
7. 7 Engineering college Sibpur. Mining Courses.

(3) At present the number of Scholarships to be granted for any particular Subject is not fixed. The D.Gl recommends, for reasons given, to reserve exclusively six out of the ten Scholarships for commercial Subjects.

4) The D.Gl further recommends that the value of the Scholarships for commercial Subjects may be raised from Rs 20 to Rs 25 p.m. Edn file 46-13. Rs 3/and 30 in which the same question was raised but dropped is put up.

5) Our II will have to be consulted as regards the raising of the Scholarships.

Subject.

(6) There appears to be no objection to the omission of the 1st from after the subjects proposed, as the Art or industry in question is obtainable in one of either the Schools of Arts at Bombay or at Broadcasting, though not in both.

(7) The omission of the Mining Course may probably be also approved, but it may be advantageous to Consult the State Geologist before doing so.

(8) The omission of Veterinary Science does not appear to be possible. The State Veterinary Dept. is in urgent need of expansion, and a scheme for opening additional Veterinary dispensaries is under Consideration in the Revenue Branch. The omission of a grant Scholarship for the study of this Science will handicap such a scheme, by retarding the supply of trained men.

(9) The subject is one of great importance from the Agricultural standpoint, and deserves to have two Subjects Scholarships allotted solely for the study

Second	(10) Rest as regards earmarking scholarships for Commercial subjects, the needs of the two branches of study have to be first ascertained & fixed.
	(11) One scholarship tenable in the School of Arts Madras will be sufficient for the subjects allocated in it, and another may similarly be allotted for the subjects selected in the Bombay School.
	(12) The needs of the Textile industry are greater, and there are now very few competent men trained in this line. In view of the general expansion of the weaving industry which is aimed at by us, at least two scholarships will have to be reserved for these subjects.
	(13) Sheet metal working may be given a scholarship in alternate years, from the two reserved for textile industries and tenable at the Victoria Jubilee Institute.
	(14) There will then remain 4 Scholarships available for Commercial subjects as against the 6 proposed, and it is not unlikely that even this represents more than the due share of Commerce in the

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

Edn 24-14
Serial 24

No. 894 / 50 Enc. 1

Bangalore, 20th July *1914*.

From

RAO BAHADUR M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education & Agriculture,
Bangalore

SIR,

I have the honour to state that the Government of Mysore have been awarding ten Technical scholarships every year for the study of Arts and Industries for which facilities do not exist in the State. On the establishment of the Mechanical Engineering School at Bangalore and the Chamarajendra Technical Institute at Mysore, the list of subjects for which scholarships were being awarded, was revised and those subjects that are taught in the above named Institutions were eliminated (Vide Government Order No.5285/Edn.46-13 dated 9th November 1913). To encourage the study of Commerce to a greater degree than is done at present, I beg to propose that the list of subjects may be further revised, and 6 out of the ten scholarships awarded exclusively for the study of Commerce in the Government College of Commerce, Bombay this year, the remaining four scholarships being distributed

distributed among the other subjects, as shown in the statement appended herewith.

The value of each Commercial scholarship is Rs.20/- per mensem at present. The question of increasing it having been referred to me unofficially, I recommended in my U.O. No.43 3/80 dated 12th February 1914 that it might be raised to Rs.25/- per mensem, but the recommendation was not sanctioned by Government. I take this opportunity however of again recommending that the rate of the Commercial scholarship be fixed at Rs.25 per mensem, as the candidates have to ~~xxxx~~ pay a fee of Rs.120/- per annum or Rs.10 per mensem on an average. The lower rate of scholarship will not attract many graduate-applicants.

As the Government College of Commerce, Bombay opens on the 22nd October 1914, I request that the Commercial Scholarships be made to commence from the above date instead of from 1st January 1915, the date from which the other scholarships commence.

The total provision required for 6 Commercial scholarships during the eight months of the current official year will be Rs.1200 and for the remaining 4 scholarships Rs.400 and this amount of Rs.1600 may be met from the provision of Rs.5865/- in

in the current year's budget under "Technical Scholarships".

I have the honour to be,

Sir,

your most obedient servant,

Inspector-General.
